

Headteacher: Mr A Bhugvandeem

Dear Parents/Carers and Year 11 students,

I hope you are well and have been keeping safe during this testing time.

I understand that there might be a degree of anticipation and anxiety surrounding this year's GCSE results and therefore, I am writing to advise you of the current situation.

Owing to the social distancing guidelines still in place, we are unable to invite all of year 11 and their families in to collect their results. Instead, your child would have had a telephone appointment booked by their Head of Year for **Thursday 20th August**, where results will be disclosed. Due to the sensitive nature of the information being shared, the Academy will need to employ a verification process to ensure that information is being shared with the correct person.

Any further clarification required must be arranged by appointment with a member of the Senior Leadership Team on **Friday 21st August**. Please be mindful that we will only allow one parent to accompany your child onto the site and meetings can only take place with prior arrangement.

We really want to be able to support all our students in the best way possible and we believe that by following this plan we will be able to do so safely. It is imperative if a student or parent/carer is feeling unwell, displaying symptoms of Covid-19 or are self-isolating, that they should not physically attend the Academy.

Thank you for your on-going support and understanding in this matter. If there is anything else you would like us to support you with during these uncertain times, then please do not hesitate to contact the Academy in the usual way. We would like to wish all of our Year 11 students the best of luck for the future. We are so very proud of your achievements and remember to always believe in yourselves.

Yours sincerely,

R Rashid
Deputy Headteacher
