RE Year 11 Mock Examinations

Year 11 mock examinations run from Wednesday 25th November – Tuesday 8th December for which I've enclosed the timetable overleaf along with the Academy's Risk Assessment and mitigating actions. The timetable along with the Risk Assessment will also be published on the Academy's website. I wish to provide you with the details in order for you to be able to support fully both your child and the Academy. Students have also received these key messages through their tutorial program this week.

The purpose of the examinations is to provide both students and teachers with information regarding students' current understanding as well as gaps in their knowledge. It is, therefore, imperative that students take the mock examinations seriously in terms of preparation, conduct and application. Furthermore, with the pandemic meaning we know nothing for certain about the 2021 examinations other than a three-week delay to the normal start date, the data we collate from these mocks could be pivotal for your child should it be required as evidence to support center assessed grades. Please use the timetable attached to support your child's revision and to ensure their prompt arrival to the Academy in the mornings. If students are late to an exam they will be allowed to enter the examination at our discretion.

As per exam regulations, students must write in black biro and store all equipment in a transparent pencil case. We will not be able to give out equipment given the current guidance on sharing items – students must have the following pieces of equipment; black biro pens, pencils, ruler, protractor and an approved scientific calculator. Regarding electronic devices, in particular mobile phones and electronic watches, these must not be in the possession of the student nor inside the examination room. Mobile phones are not allowed in the Academy. These items must be left at home when examinations are taking place.

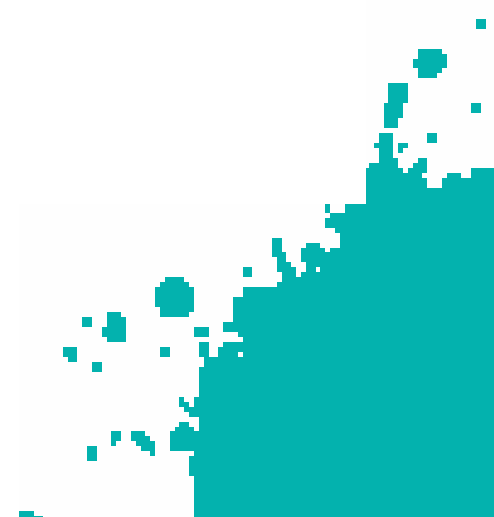

Thank you for your support.

Mr Robin Rashid

Deputy Headteacher
