

Safeguarding Support

ONLINE SAFETY

Childnet Hot Topics: A collection of advice covering topics like screen time, parental controls, digital wellbeing and live streaming.
www.childnet.com/parents-hot-topics

Childnet International: The parents and carers pages are for key advice on online safety risks and detailed information on how and where to report online content.
www.childnet.com/parents-and-carers

UK Safer Internet Centre: The parents and carers pages offer an advice centre for detailed support.
www.saferinternet.org.uk/parents

Get it Right for a Genuine Site: Get to know which sites are legal for streaming and downloading films, music and games.
www.gettingitrightforgenuinesite.org

Tackling Difficult Conversations: Advice and resources for how to talk to young people about online safety issues.
www.childnet.com/have-a-conversation

Digital Parenting: A free-online magazine offering information and advice for online issues.
www.vodafone.com/content/parents

Ask About Games: Specific advice and online guides about gaming and pgi age ratings.
www.askaboutgames.com

Phone Brain: Information about paid for services such as premium rate numbers and in app purchases.
www.phonebrain.org.uk

UK Safer Internet Centre advice hub: Tailored advice for foster carers, and adoptive parents.
www.saferinternet.org.uk/advice-centre

REPORTING A PROBLEM ONLINE

Child Exploitation & Online Protection Command (CEOP): This is a Police agency tackling child abuse online, where you can report any concerns of the behaviour of someone online towards a child.
www.ceop.police.uk

CEOPs Think U Know: This has information and resources for students and parents as well as a link to report any concerns regarding online and social media.
www.thinkuknow.co.uk

Childnets 'How to make a report': Reporting advice of where and how to make a report on popular games, social networks and video platforms.
www.childnet.com/how-to-make-a-report

Reporting Harmful Content Online: Part of the UK safer internet centre, this online tool will guide you through the reporting process for harmful online content. It can support you with reporting issues such as bullying or harassment, threats, self-harm content or pornography.

MENTAL HEALTH

For information and guidance on supporting your child's mental health please visit:

Young Minds: Providing help and support with young people's mental health and well-being.
www.youngminds.org.uk or call 08088025544

Mind: If you are going through a difficult time and are struggling with how you're feeling, it can be really upsetting. We are here to help you understand and you are not alone:
www.mind.org.uk

NSPCC: We've got advice to help you support your children who may be experiencing depression, anxiety, suicidal feelings or self-harm.
www.nspcc.org.uk or call 08088005000

Kooth: Counsellors are available every day until 10pm for young people.
www.kooth.com
